Doing Business with the World Bank: Learning from Experience

NL for World Bank - December, 2017

Success Story: RebelGroup (“Rebel”)

RebelGroup (or “Rebel”)—the majority Dutch firm with offices in Rotterdam, Antwerp, Manila, Johannesburg, and Washington D.C.—has been advising governments on the development of infrastructure projects for 15 years. Over the past decades, Rebel has both experienced and shaped some of the major trends in the global infrastructure market—including a significant growth in the use of public-private partnerships (PPPs)..

What is your role within the World

Bank? How does your department contribute to reducing poverty in the world? *"Since early 2017 I am a Financial Management Specialist within the Governance Global Practice (GGP). GGP constitutes one of 14 operational branches (Global Practices or GPs) of the World Bank. It's development interventions result in stronger, more efficient and accountable institutions leading to enhanced service delivery. "*
