Vietnam, World Bank, and the Netherlands cooperate on food safety

On July 10, 2017, the Netherlands, the World Bank Group, and Vietnam signed a MoU regarding collaboration on food safety: a spin off of the 'Food for All' partnership between the Netherlands and the World Bank Group. This 'Food for All' partnership aims to increase knowledge, supports job creation, and secures the long-term sustainability of agriculture in developing countries.

The Netherlands will share their expertise on food safety and agro-

logistics, both in public sector and in the private sector with Vietnam and the World Bank.

The Netherlands invests in new partnership for a Water-Secure World for All.

New challenges and new contexts require new responses. That's why on July 1st, 2017, the World Bank and its partners, launched a new partnership for a water-secure world for all, the Global Water Security & Sanitation Partnership Program (GWSP). The GWSP identifies sustainability, inclusion, institutions, financing, and resilience as crucial for delivering the Sustainable Development Goals (SDGs).

NL & World Bank Events, Fall 2017

Welcome back from vacation! We have been gearing up for a busy next couple of months with the Annual Meetings just around the corner as well as a couple of World Bank Group & Netherlands collaboration mission/events on the way. We understand that getting back into the swing of things after a vacation filled August can be tough...that is why we have compiled all the events relevant to and with involvement of the Netherlands below. [Contact us](#) if you are interested or plan on attending any of the events.
